Self Propelled Agricultural Equipment Questionnaire – 100% Custom Operators

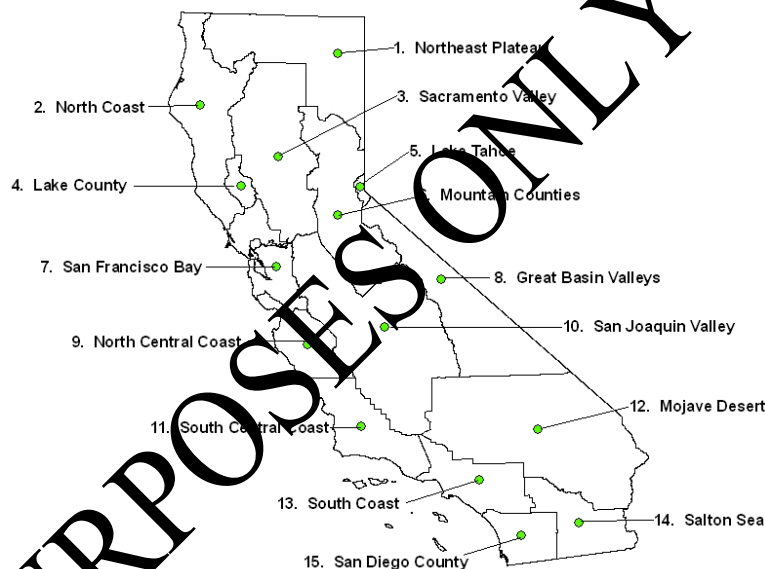

Overview

- Production agricultural associations in cooperation with the State of California are conducting a statewide survey to obtain an accurate inventory of self-propelled off-road equipment (25HP and higher) used in agricultural operations in California.
 - **All individual survey results will be kept confidential.** There are approximately 3 questions in this survey and it should take about 20 minutes of your time depending on how much equipment you own. Please complete and return the survey even if you don't own any equipment.
 - **Please complete this survey ONLY if your business is 100% in custom operations for others.** If you are an agricultural producer and have a custom business, complete the agricultural producer survey instead.
- 
- A map of California is shown with eight numbered regions marked by green dots. The regions are: 1. Northeast Plateau (in the northeast), 2. North Coast (on the northern coast), 3. Sacramento Valley (in the north-central part), 4. Lake County (in the north-central part, south of Sacramento Valley), 5. Lake Tahoe (in the north-central part, east of Lake County), 6. Mountain Counties (in the east-central part), 7. San Francisco Bay (in the south-central part), and 8. Great Basin Valleys (in the south-central part, south of San Francisco Bay). A large, bold, black 'ONLY' is written diagonally across the map, overlapping the regions.

Section 1. Type of Operation

1.1. In which regions do you operate (see map). If you operate in more than one region please indicate the percentage of total acres in each region.

| | | | |
|----------|--|------------|--|
| Region # | | Percentage | |
| Region # | | Percentage | |
| Region # | | Percentage | |
| Region # | | Percentage | |

1.2. How much land, by commodity, was custom cultivated/harvested/sprayed/other by your operation in 2008? Include all cropland regardless of location or use. Please complete the table using the example as a guide.

[illegible]

1

| Self propelled equipment (25 HP or higher) | Example |
|--|--|
| Agricultural Tractors | |
| Combine harvesters | grain/field crops |
| Forage & Silage Harvesters | |
| Cotton pickers | |
| Nut harvester | almond harvester, sweeper, shaker, etc |
| Other harvesters | grape harvesters, pistachio harvester |
| Balers (self propelled) | |
| Bale wagons (self propelled) | |
| Swathers/Windrowers/Hay Conditioners (self propelled) | |
| Hay squeeze/ Stack retriever | |
| Sprayers/spray rigs (self propelled) | |
| Scrapers | land leveling equipment |
| Skid Steers/Front wheel loaders/backhoes/other construction used in Ag | |
| Forklifts | |
| ATV (used exclusively for agricultural operations) | |
| Other Agricultural Equipment not listed above | |

Thank you. Your assistance is greatly appreciated.
